Dear Parent/Carer

Election of Parent Governors

The role of a school governor is extremely important and many essential decisions about this school are taken by our Governing Board. School Governors work together with the school leadership team to continually improve the education for every child at our school. Our school governors have 3 core functions. They:

1. Ensure the clarity of vision, ethos and strategic direction of our school;
2. Hold the head teacher to account for the educational performance of our school and its pupils, and the performance management of staff.
3. Oversee the financial performance of our school and make sure its money is well spent.

All eligible parents, regardless of skills and experiences, are able to be elected.

I have received nominations from 3 parent(s) who are willing to become school governors. I hope you will vote in the election to select a new parent governor. The new governor will serve for 4 years.

Please click the link below to see the personal statements and voting link. Read the personal statements carefully bearing in mind the role of the school governor.

You have 1 vote in total even if you have more than one child at the school.

The deadline for voting will be 10am on Wednesday 18th October 2023.

Votes will be checked on Wednesday 18th October 2023 and the result will be announced as soon as possible.

I hope you will decide to vote as the governing board is very important in the decision making of the school.
