Friday 24th May The Legacy Fun Run

Friday 17th May

Dear Parents & Carers

Next Friday during the school day we will be having an Elmwood Legacy Fun Run with all children (weather permitting). This will involve the children running a special Fun Run course set out around the whole school site. The purpose is then for the children to receive sponsorship by running, to raise funds for the children's chosen charity for this year – Legacy.

Please can you sponsor your child to run with at least £1 to be brought in by the child on Friday. If you wish to sponsor your child more, please feel free to do so!

Your child should wear the school PE kit and appropriate shoes for the Friday.

We thank you as always for supporting your child, and the school, with this fun and worthwhile event.

Kind regards

Mr Marston
