Changes to Maths and Reading Tuition

Dear Parent/Carer,

Our after school tutoring sessions have been a huge success this year. With SATs being next week (the Reading paper is on Tuesday and the Maths papers are on Wednesday and Thursday), Year 6 would like to swap Maths and Reading tutoring around next week, in order to maximise the potential of the tutoring program.

This would mean that:

**Reading tutoring would be 3:10-4:00 on Monday 13th May and
Maths tutoring would be 3:10-4:00 on Tuesday 14th May.**

This change would only be for next week and we have decided that the last sessions for Year 6 tutoring will be **Monday 20th May** (Maths) and **Tuesday 21st May** (Reading).

You have already notified the school whether your child walks home or is collected after tutoring so you do not need to return a slip.

Kind regards

Year 6 Team
