

Wednesday 5th June 2024

Parent volunteers

Dear Parents/Carers,

As part of Year 3s RE curriculum, we have been learning about how different religions care for our world. As part of this, we have looked at Hinduism and would like to invite you to come in and speak about the various aspects of Hinduism. Your personal insights and stories would provide the children with a deeper understanding and appreciation of this religion.

Your participation would involve giving a short presentation and engaging with children in a short questions and answers session.

We believe that hearing from members of our own community will make the learning experience more meaningful and impactful for our learners. If you feel like this is something that you would like to do, please speak to your class teacher to arrange a time to visit hopefully next week.

Thank you for considering this opportunity to share your knowledge and experience with our children and for your continued support.

We look forward to hearing from you,

The Year 3 team
