## Coaching for Teachers: Recorded Lessons

Wednesday 6<sup>th</sup> November 2024

Dear Parents/Carers,

In order for us to continue enhancing the excellent education your child receives, teachers at Elmwood will be coaching each other on specific aspects of teaching as part of their professional development.

This will involve some members of staff choosing to record themselves teaching so that they can reflect accurately and effectively. Although a device will be focused on the teacher at all times, it is possible your child's voice and/or image will be part of the video. These recordings will stay on our secure school network and will be deleted at the end of the academic year. You do not need to provide permission for this as it falls within the Privacy Notice for pupils (found on the school website) and Image and Video Consent form you have already returned.

Thank you.

Kind Regards

Mr Pollock  
Deputy Headteacher
